With reference to your letter No. 1.367/33-34 dated 8-7-35 regarding the construction of a car for the Sri Suggahalli Narasimhaswami temple in Maga Taluk, I have the honor to forward herewith the plan and estimate for Rs. 3050/ of a car on the model of the car now in use in the Agara temple. The Dharmadarsis of the temple have resolved that a new car on the model may be got constructed for their temple also.

It is reported by the Amildar that the temple has, at its credit, a cash balance of Rs. 6,512-11-6 in State Loan bonds of the face value of Rs. 11,000/- excluding the loan of Rs 5,000/- due from the Sri Ghati Subrahmanyaswami temple and that their funds are enough to meet the cost of the car as well of the estimate for repairs which has already been submitted. Both the Amildar and the Sub Division Officer have stated that the Rathotsavam of the Suggahalli temple is important and popular and that the present car is very old and requires to be replaced.

In these circumstances, I request that sanction may be accorded for the construction of a new car as per estimate and design herein enclosed, the cost being met out of the funds of the temple.
